

Tip O' The Ice Cube™

**Subpoena
duces tecum?!**

So how's your Latin today, Billyreuben?
My Latin!?!
You went to Harvard.
Yaha...
on a hockey
scholarship.

UNITED STATES OF AMERICA
Congress of the United States
Subpeona Duces Tecum
To *montefin*

Ok, **Sub** is Latin for under,
and **poena** is for penis.

To *montefin*

Means they got you by
the balls, montefin.

And the **duces tecum**?

COMMANDS you to
bring all documents,
tapes, logs, journals,
et cetera,
et cetera,
et cetera,
et cetera,
et cetera,
et cetera.

Would **et cetera**
include amateur videos?
Yup.
Even if they were
shot by a dog?
Yaha.

Uh-oh!
