

Tip O' The Ice Cube™

**Subpoena
duces tecum?!**

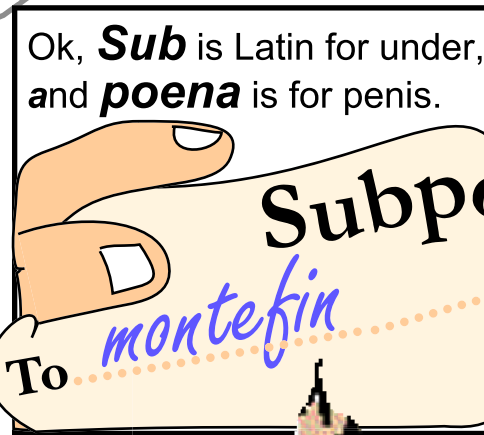

So how's your Latin today, Billyreuben?

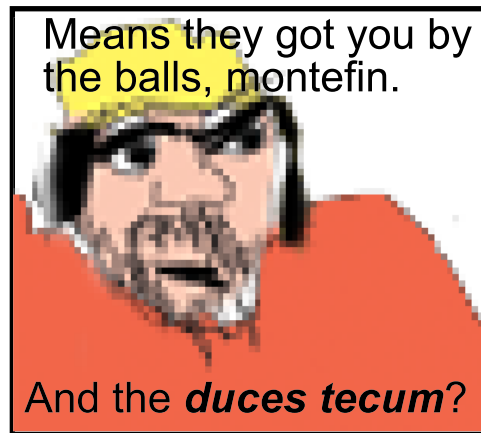

You went to Harvard.

My Latin!?!?

Yaha...
on a hockey
scholarship.

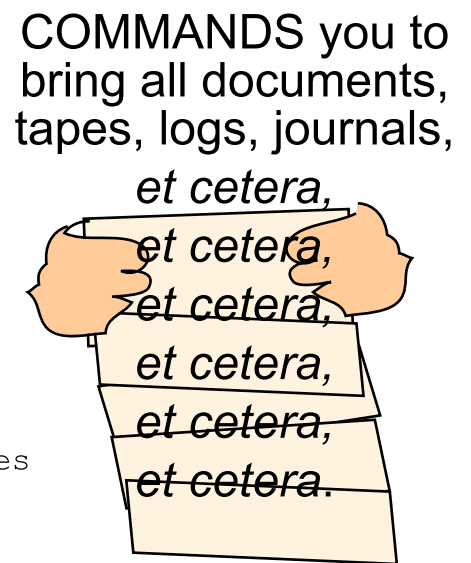

Ok, **Sub** is Latin for under,
and **poena** is for penis.

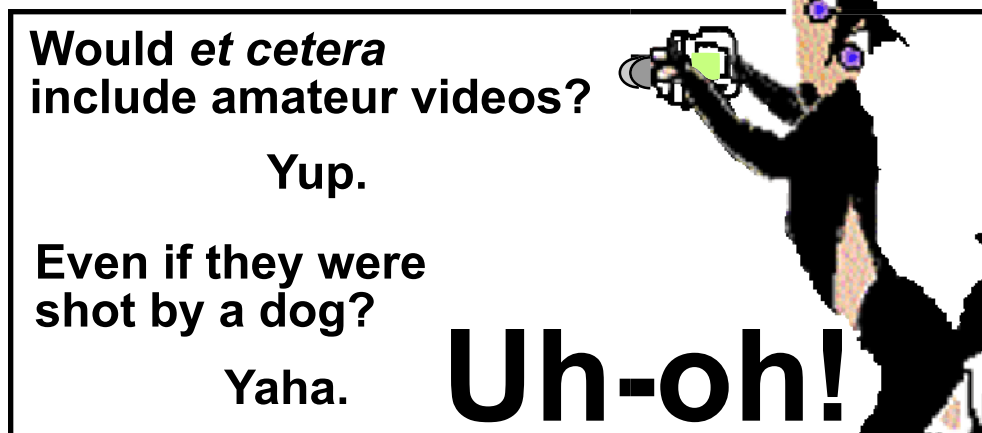

Means they got you by
the balls, montefin.

And the **duces tecum**?

COMMANDS you to
bring all documents,
tapes, logs, journals,

et cetera,
et cetera,
et cetera,
et cetera,
et cetera,
et cetera.

Would **et cetera**
include amateur videos?

Yup.

Even if they were
shot by a dog?

Yaha.

Uh-oh!
